

## **Attendance Policy**

1. In order to participate in a game or a practice, the student must be in school for the entire day.
2. If the student is counted absent in his first hour, the student will not be able to participate in the evening event.
3. Absences can be excused if Coach Taggart (274-0555) is contacted before the absence.
4. Absences can't be excused if Coach Taggart is contacted after the absence.
5. If the player is not going to be at school, the player is expected to call the coach, not text, so that the coach knows the player will not be at the event that day.
6. Players are expected to attend all practices and games unless the player has discussed the absence with the coach. No practice, no game.
7. Practices are held daily after school on non-game days.
8. Parents need to arrive on time to pick up athletes.
